# EARNING POINTS

All members earn points when making purchases within the club. Members can also earn points when playing gaming machines.

- 1 point is earned for every \$1 spent on food, beverages, membership & aural promotional items.
- 1 point is earned for every \$5 of turnover on gaming machines
- Bronze & silver member points expire at the 31st December each year

# MOVING TIER LEVELS

On the 15th of each month points will be reviewed – if the required amount of points have been earned in the previous month, a tier upgrade will occur.

Points will also be reviewed every 6 months to verify ongoing tier qualification (on the 15th of April & October) and members will be adjusted accordingly. 30 days notice will be provided to members who have not maintained their tier level and may be subject to re-tiering.
